FASHION THE GROWTH OF GARMENT

India's economic health is growing stronger and well poised to leapfrog to a \$ 5 trillion economy by 2025. "Make in India" initiative has gained remarkable momentum leading to significant investment in capacity building and achieving economy of scale. For textile sector, the Government has adopted the 5F Mantra of "Farm to Fibre to Fabric to Fashion to Foreign" and introduced policies and incentives for sustainable growth of the industry.

AN IDEAL LOCATION FOR EXHIBITION EVENT

India, being strategically located between South East Asia and Middle East, is one of the largest player in textile & apparel manufacturing and trade. It is also the destination for future growth and investment in textile & apparel industry. Within India, Gujarat is the epitome of success when it comes to economic development and industrialisation. The growth and development of its textile sector is even more deep rooted. Ahmedabad, which was known as the 'Manchester of the East' in the past for its booming textile industry, is today a well-developed business hub & financial centre. Thus, GGMA fair 2024 will be held in capital city of Gandhinagar at The Helipad Exhibition Centre, Helipad Ground, Sector-17, in July 2024.

The Gujarat Garment Manufacturers Association (GGMA)

The Gujarat Garment Manufacturers Association (GGMA) has emerged as a pivotal force in driving the growth and advancement of the garment industry in the region for over three decades. Founded with a vision to foster innovation, collaboration, and sustainability within the sector, GGMA has played a significant role in shaping the landscape of garment manufacturing in Gujarat.

Since its inception, GGMA has been dedicated to the comprehensive development and empowerment of the garment industry. Through a range of initiatives and programs, the association has provided a platform for manufacturers, designers, suppliers, and stakeholders to come together, share knowledge, and explore opportunities for growth and expansion. One of the core objectives of GGMA is to facilitate the exchange of best practices and latest industry trends among its members. By organizing seminars, workshops, and training sessions, the association ensures that its members stay abreast of the latest advancements in technology, design, and production processes.

Moreover, GGMA places a strong emphasis on promoting sustainability and ethical practices within the sector. Recognizing the importance of social and environmental responsibility, the association encourages its members to adopt eco-friendly manufacturing processes, reduce waste, and comply with ethical labour practices.

Furthermore, GGMA is committed to promoting entrepreneurship and fostering the growth of small and medium-sized enterprises (SMEs) within the garment sector. Through mentorship programs, access to finance, and networking opportunities, the association supports budding entrepreneurs and emerging businesses in scaling up their operations and accessing new markets. This focus on nurturing entrepreneurship not only contributes to the diversification and expansion of the industry but also creates employment opportunities and boosts economic development in the region. As GGMA continues its journey of championing the garment industry's development, the association remains steadfast in its commitment to driving innovation, excellence, and sustainability across the sector. With a strong focus on collaboration, empowerment, and advocacy, GGMA is poised to lead the industry towards a future marked by growth, competitiveness, and inclusive development.

In conclusion, the Gujarat Garment Manufacturers Association stands as a testament to the power of collective action and vision in fostering the growth and prosperity of the garment industry in Gujarat. With its unwavering dedication to excellence, sustainability, and empowerment, GGMA is not only shaping the present industry landscape but also laying a strong foundation for a vibrant and progressive future.
